The 3rd Annual Contractor's Golf Tournament was a great success.

Photo Submitted

We would like to sincerely thank you for supporting the 3rd Annual Contractor's Golf Tournament; it was a great success. The winning teams, Prime-Edge and River-Taps tried to play extra holes to break the tie but they were too evenly matched. Play flowed well with a prize challenge on almost every hole, but slowed slightly when parties broke out at the shooter and Caesar bars. After the awards presentations there was enough sponsorship shwag to give every team great draw-prizes to take home.

Your support makes these events possible; whether you played or sponsored you are part of a team that supports each other and the local construction industry. The proceeds from this event go to the Future Contractor's Scholarship Fund so we can help local kids fulfill their dreams.

Thanks again, we'll see you at the 2nd Annual Classy Contractor's Christmas Party in December.
