

# Mike McKnight Ski Industry Award

## Application Guidelines

The Golden & District Community Foundation (GDCF) invites Golden residents with a history of community involvement, entering or continuing education or training in the ski industry (guiding, ski patrol, ski/board instructor, ski area management, or search and rescue), to submit an application for the Mike McKnight Award.

Mike McKnight is a lover of family, powder skiing, and the mountains, inspiring the creation of his endowment in 2009. The funds earned in perpetuity aim to assist an individual in the Golden community with similar passions.

- The more community involvement the better!
- The applicant must be entering or continuing education or training in the ski industry (guiding, ski patrol, ski/board instructor, ski area management, or search and rescue)
- GDCF maintains the right to audit projects at any time.
- Successful applications will be subject to an agreement. Not meeting the terms of this agreement may jeopardize current and future funding to the applicant organization.

## Application instructions

- [Link to online application.](#)
- Applications will be accepted September 1 - 30 each year
- Incomplete or late applications will not be accepted
- Please detail your involvement in the Golden and Area A community as well as proof of residency in your resume and cover letter!

## Adjudication Process

The Grant Selection committee will review all applications and determine the successful applicant

## Support

Applicants are encouraged to reach out for questions, concerns, or request assistance. We're happy to mentor youth through the application process.
